

CLARIFICATIONS IN RESPONSE TO QUESTIONS RAISED

1. The existing buildings inside the walled area are both private and public property, and as long as they do not fall into ruin the town council will not demolish them, so for the moment their existence should be acknowledged.
2. The Plaza del Castillo and the streets adjacent to it are presently open to traffic, but they could be pedestrianised, as long as there is access for vehicles in exceptional circumstances (such as the fire brigade, ambulances, loading and unloading, etc.).
3. The panels and all other documents should be presented in ONE of the three languages stated in the document of conditions.
4. As specified in the document of conditions, envelope 02. identity documentation should contain: a certified copy of the degree certificate of the person/people responsible for the team, or photocopy of the present enrolment document in the case of students, in compliance with the relevant point from the participant requirements.
5. The areas included in the project commission are those marked in red on the corresponding plan (1_ zonas de actuación - intervention area), but all proposals must provide a solution for the whole free area, both the marked area and the existing area inside the walls.
6. As specified in the document of conditions, if the sender's address has to be written on a package when sent by courier service or similar, the competition's secretarial office will ensure anonymity by separating the documentation when it is received and eliminating the sender's address to safeguard the principle of anonymity for the competition.
7. When documents are sent by post or courier service, a fax or email should be sent with a copy of the operation showing the date and time it was sent, in order to provide proof that the deadline was met (14.00 local time, 29th July). The secretarial office will likewise ensure anonymity by separating the documentation when it is received and eliminating the sender's address to safeguard the principle of anonymity for the competition.
